

**TERMS AND CONDITIONS FOR THE SALE OF SEASON TICKETS FOR THE 2<sup>ND</sup> BLUE TIER  
FOOTBALL SEASON 2026/2027**

1. Season tickets (hereinafter referred to in the singular and plural as 'Tickets') are issued by "A.C. Milan S.p.A. (hereinafter referred to as ACMilan or the Club) with registered office in Milan, Via Aldo Rossi n.8, postcode 20149, telephone number 02.62281, email address [reception@acmilan.com](mailto:reception@acmilan.com), call centre +39 02.82958070.
2. The publication and offering for sale of any Tickets and/or Season Tickets shall not constitute an offer to the public capable of acceptance, pursuant to Article 1336 of the Italian Civil Code, but shall merely constitute an invitation to treat. AC Milan shall be under no obligation to proceed with the sale and reserves the right, at its sole discretion and for legitimate reasons, to determine, amend, suspend or withdraw, in whole or in part, the availability of any Tickets, without thereby giving rise to any right to purchase, any legally protected expectation or any pre-contractual liability on the part of AC Milan. Tickets may only be purchased through the official channels of ACMilan, listed on the website [www.acmilan.com](http://www.acmilan.com). In the case of purchases via the internet, these may only be made through authorised websites and in compliance with the procedures established by AC Milan and any restrictions imposed by the authorities. The Club shall NOT BE LIABLE for any loss or damage suffered by Holders of Tickets purchased through channels other than those authorised. The purchase of a Ticket implies acceptance of and compliance with these Terms and Conditions of Sale, the 'Regulations for Use of the San Siro Stadium' and the Code of Conduct and Regulations applied by ACMilan. The Ticket shall be cancelled or otherwise rendered unusable if the Holder or his/her name is not authorised to access the sports facilities as a result of criminal or administrative measures, or if it is used by a person other than the Holder or in the event of violations of the 'Stadium Regulations' published on the website [www.acmilan.com](http://www.acmilan.com) and posted at the "G. Meazza San Siro Stadium" or of the Code of Conduct and Regulations published on the website [www.acmilan.com](http://www.acmilan.com).
3. The "Classic" Season Ticket entitles the holder to admission to the Stadium for home League Matches only, while the "Plus" Season Ticket entitles the holder to admission to the Stadium for home League Matches, the four (4) home matches in the UEFA Europa League League Phase and the first home match in the Coppa Italia. Ticket Name Changes are not permitted.
4. The Tickets are assigned by name and entitle the holder (hereinafter, singular and plural: the Holder) to watch (solely in the sector, row and seat indicated on the Ticket) the home matches of the First Team of AC Milan in the assigned seat for the competitions to which the Ticket refers, in accordance with the calendar of LNPA and/or UEFA (including early and late kick-offs) - date, time, and place - established by the organizer of the competition, including any variation, whatever their cause. Access to the Stadium is also subject to the presentation of the documentation and certifications required from time to time by the orders issued by the competent authorities. In the event of failure to present the documentation mentioned above, access to the Stadium will not be permitted. The possible absence of separation barriers between the various sectors does not allow the Holder to sit in a different place from that indicated on the Ticket. Personnel on duty at the Stadium during the matches is entitled to verify the matching of the Ticket with the seat occupied by the Holder and to send the latter away from the Stadium should he/she be sitting in a different place from that printed on the Ticket. The Holder therefore undertakes: **(a)** not to allow under any circumstances the use of the Ticket by persons who are prohibited from entering sports facilities (and/or purchasing the relevant tickets); **(b)** not to use the Ticket for commercial purposes, speculation and/or ticket touting; **(c)** not resell the seat or transfer their Ticket to third parties, including through online sales platforms that carry out secondary ticketing activities (including offers of tickets as part of an offer of complementary services and/or products, even within heterogeneous packages for individual events), except in cases expressly provided for and authorised by ACMilan.
5. The Ticket is non-transferable.
6. During the Football Season, Milan reserves the right, at its sole discretion, to activate the "Resale Platform", available at <https://booking.acmilan.com/rivendi-abbonamento/> (the "Resale Platform"), through which the Holder may initiate the procedure for listing for sale the individual Match entitlement under the Season Ticket relating to a specific Match (the "Sale Procedure"). Milan further reserves the right to determine, from time to time, including in respect of one or more specific Matches, whether access to the Resale Platform shall be available to Holders of Classic and Plus Season Tickets or exclusively to Holders of Plus Season Tickets, and shall give

notice thereof by such means as Milan, at its discretion, deems appropriate. The Resale Platform shall be active from the date specified by Milan from time to time and, unless otherwise indicated, shall remain accessible until 48 (forty-eight) hours before the start of the Match to which the Ticket that is the subject of the Sale Procedure grants admission. The Sale Procedure shall be available from the date communicated by Milan from time to time and may not be withdrawn for a period of 48 (forty-eight) hours following its activation (the "Blocking Period"). Use of the Resale Platform shall be governed by the relevant General Terms and Conditions, which must be accepted by the user as a condition of using the Resale Platform. If Milan successfully sells the Ticket, the Holder shall be granted a credit equal to 60% (sixty per cent) of the price at which Milan sold the relevant Ticket (the "Resale Credit" and, collectively, the "Resale Credits"). It is understood that, following completion by the Holder of the activation stage of the Sale Procedure, Milan shall be obliged solely to relist for sale, as soon as reasonably practicable and without any obligation to do so simultaneously with the completion of such activation stage, the Ticket that is the subject of the Sale Procedure through the Resale Platform, without in any circumstances guaranteeing that the Ticket will actually be sold. It is further understood that, if the Ticket has not been sold within 48 (forty-eight) hours of the start of the Match, the relevant Ticket shall become available to the Holder again and may, at the Holder's discretion, be used to attend the Match to which it grants admission, without the Holder accruing any Resale Credit.

7. The Holder is the custodian of the Ticket entrusted to them and is responsible for all consequences arising from its use by third parties. The risks of loss, destruction or theft are the sole responsibility of the Ticket Holder. In the event of loss, theft or destruction of the Ticket, no duplicate ticket will be issued, nor will the Ticket Holder be entitled to any refund or replacement ticket.
8. Any changes to the fixtures, with consequent modification of the date and/or time of the matches must be considered usual and must therefore be considered by the Holder when purchasing the Tickets. Variations outside the LNPA and/or UEFA match calendar date (including, for this purpose, any early or postponed fixtures), as determined from time to time by the competition organiser, including any change made by the organiser will only entitle the Holder to a refund of the Ticket portion, subject to the correct and complete completion of the refund procedure indicated, from time to time, on the website [www.acmilan.com](http://www.acmilan.com). On the other hand, compensation for damages, as well as the reimbursement of any expenses, of whatever nature, incurred by the Holder as a result of the aforementioned variation is excluded except in the event that such variation is directly caused by AC Milan's wilful or negligent conduct, and in any event any right to compensation for damages and/or reimbursement of any expenses incurred is deemed excluded whenever such variation: (i) results from a request received to that effect from the organizer of the competition and/or (ii) is arranged by AC Milan in implementation of an order or measure of the sports, administrative or public authorities.
9. AC Milan may, at its sole discretion, grant Classic Season Ticket Holders a priority right to purchase their usual seat, within the time limits and subject to the terms and conditions communicated by AC Milan from time to time, for competitive Matches not included in the Season Ticket (such as, for example, Coppa Italia and UEFA Europa League Matches). In accordance with UEFA regulations, for UEFA Champions League and UEFA Europa League Matches, no priority right to purchase the usual seat may be granted in respect of seats located in sectors reserved by UEFA, which shall be notified to the public from time to time. In the case of Coppa Italia Matches, the period during which the priority purchase right may be exercised may be guaranteed only insofar as this is compatible with the provisions communicated from time to time by Lega Calcio, the FIGC and any other Competent Bodies or Authorities. AC Milan cannot therefore guarantee the availability of all sectors. Where a priority purchase right is granted, AC Milan shall inform eligible Season Ticket Holders via [www.acmilan.com](http://www.acmilan.com).
10. AC Milan may, at its sole discretion, grant Plus Season Ticket Holders a priority right to purchase Tickets for away Matches played by AC Milan's men's first team in UEFA Competitions (excluding any final). In view of the applicable UEFA regulations, where a priority sale period is granted, AC Milan shall inform eligible Season Ticket Holders via [www.acmilan.com](http://www.acmilan.com).
11. AC Milan may, at its sole discretion, grant Classic and Plus Season Ticket Holders access to a priority sale period for the purchase of Tickets for individual Matches in respect of all home Matches played by AC Milan's men's first team, within the time limits and in accordance with the procedures communicated by AC Milan. Where a priority sale period is granted, AC Milan shall inform eligible Season Ticket Holders via [www.acmilan.com](http://www.acmilan.com).
12. Any abuse and/or fraudulent use of the Ticket will result in its immediate withdrawal and/or blocking. The Ticket may be withdrawn, cancelled, blocked or its use temporarily or permanently prohibited at any time in the cases provided for by law and these Terms and Conditions.

By way of example and without limitation, the following shall be considered abuse within the meaning of the above:

- (a)** failure to pay, in whole or in part, or fraudulent payment of the Season Ticket (e.g. payment by or to an unauthorised person);
  - (b)** use of the Season Ticket for counterfeiting purposes or the issue of unauthorised duplicates;
  - (c)** access or attempted access to a sector other than that indicated in the Season Ticket, unless expressly authorised by AC Milan;
  - (d)** use or attempted use of a single Season Ticket by more than one person;
  - (e)** the untruthfulness or incompleteness of the data provided when subscribing to the Season Ticket;
  - (f)** purchasing the Season Ticket (or any ticket for access to the Stadium) from retailers not authorised by AC Milan; and/or
  - (g)** purchasing the Season Ticket (or any ticket for access to the Stadium) while subject to a sanction imposed by AC Milan which, at the time of purchase of the Season Ticket, prohibited the Holder from purchasing it.
13. AC Milan also reserves the unquestionable right to withdraw and/or block the Ticket in the event of: (a) unlawful behaviour, contrary to the law, public order or morality; (b) acts of violence and/or racism, in any form and/or expression, against persons and/or property; (c) any administrative or judicial measure prohibiting access to stadiums, banning and/or removing season ticket holders from stadiums; (d) any other restrictive measure imposed by any authority that in any way prohibits the season ticket holder from attending meetings open to the public; (e) standing along the sorting routes, stairs and emergency exits or any other behaviour aimed in any way at impeding the movement of spectators and security personnel, as well as the proper evacuation of those present; (f) bringing explosive materials, weapons, or objects that could cause injury, bottles, cans, and other blunt and/or dangerous objects into the Stadium; (g) any and all behaviour that may be considered, at the sole discretion of AC Milan, to be evasive or contrary to the Conditions, the Code of Conduct, and the Stadium Regulations.
14. The Holder acknowledges and expressly accepts that A.C. Milan, in compliance with the Code of Conduct, may carry out investigations and checks on him/her in order to prevent and punish certain conduct prohibited by the Code of Conduct itself. Furthermore, the Holder expressly acknowledges and accepts that the sanctions provided for in the Code of Conduct may consist, by way of example and without limitation, expulsion from matches in progress and/or a ban on purchasing tickets and season tickets or using tickets and season tickets already purchased (without any right to a refund), for up to a maximum of five sporting seasons, in accordance with the terms and procedures set out in the Code of Conduct. The Code of Conduct, in its current version, is available at [www.acmilan.com](http://www.acmilan.com). The right of access cannot be exercised in the rescheduled match of a match suspended after the kick-off of the second half.
15. In the cases provided for in Articles 12, 13 and 14 above, AC Milan shall be entitled to retain the amount paid for the Ticket for the matches not attended as a penalty.
16. In the event of closure of the sector of the stadium where the Season Ticket Holder's seat is located, the latter - provided that they have not contributed to causing the liability, even objectively (as defined by the Italian Football Federation's Code of Sports Justice) as a result of which it was necessary to close that sector of the Stadium - shall be entitled to request a refund of the portion of the season ticket price paid, subject to the correct and complete completion of the refund procedure indicated from time to time on the website [www.acmilan.com](http://www.acmilan.com). The right to a refund referred to in this Article 10 is excluded if AC Milan provides the Season Ticket Holder with a replacement ticket to attend the match in another sector of the Stadium.
17. In cases of the disqualification of the pitch with the match being played in another stadium, or the obligation to play the matches behind closed doors, or the reduction of the capacity of the Stadium, the Holder - provided that he/she has not contributed to causing the liability, including objective liability (as qualified by the Code of Sports Justice of the Federazione Italiana Giuoco Calcio) of AC Milan as a result of which it was decided that the match be played in another stadium or behind closed doors or with reduced capacity - shall have the right to request the refund of the season ticket portion upon proper and complete completion of the refund procedure indicated, from time to time, on the website [www.acmilan.com](http://www.acmilan.com). The right to a refund under this Article 10 is excluded if AC Milan provides the season ticket holder with a replacement coupon to attend the match in another sector of the Stadium. In the event that the match is played in another stadium, the season ticket holder, as an alternative to obtaining a refund as provided for in the previous paragraph, may ask AC Milan, subject to the correct and complete completion of the procedure indicated from time to time on the website [www.acmilan.com](http://www.acmilan.com), a replacement ticket valid as a

Ticket for admission to the stadium where the match will be played, and the request will be satisfied subject to the capacity of the different stadium identified for the match. In any case, compensation for damages resulting from the change of stadium or the match being played behind closed doors is excluded, except in the event that the match is played in another stadium or behind closed doors as a direct result of wilful misconduct or negligence on the part of AC Milan, and in any case excluding any right to compensation for damages whenever the change of stadium or the match being played behind closed doors is the result of compliance with legal provisions, regulations or other acts or measures of administrative, public or sporting authorities (including sports justice bodies).

18. Minors under the age of 14 may enter the Stadium only if accompanied by adults, each holding a regular Ticket.
19. AC Milan has the right to create a price list subject to dynamic increases, according to the availability of Tickets and sectors, depending on the time of purchase of the Tickets.
20. Please note that the personal data needed for the purchase of Tickets for access to the Stadium will be processed by AC Milan, as data controller, pursuant to EU Regulation no. 679/2016 and Legislative Decree no. 196/2003, for the purposes and in the manners described in the privacy policy provided when subscribing to CRN card and / or in any case available on the website [www.acmilan.com](http://www.acmilan.com). The consents granted on other occasions are valid limited to the processing carried out by AC Milan and subject to the express consent.
21. Pursuant to Article 59(n), of Legislative Decree No. 21/2014, Tickets, even if purchased off-premises, do not enjoy the right of withdrawal referred to in Article 52 of the same law, because they relate to services concerning leisure activities that provide for a specific date or period of performance.
22. AC Milan may assign a seat other than the one indicated on the Ticket for reasons of force majeure, fortuitous event, public order, security, maintenance and/or modernization work or on the instructions of Public Safety Authorities, Lega Nazionale Professionisti, Observatory, CASMS or any other competent body. In such a case, the assigned seat will be a seat for which the full purchase price of the relevant Ticket is equal to or greater than that purchased.
23. Please note that the squad may undergo significant changes during the football season. The use of the image of the players part of the squad for promotional purposes in the context of the season ticket campaign does not constitute a guarantee of their stay in the team.
